Will send more in another email about some of the children of William and Barbara Ann Tinkle Robinson.......but interesting that all census records show the spelling of their surname as Robinson. Barbara "Ann" Tinkle Robinson is, apparently, the daughter of Henry and Martha Young Tinkle........see www.rootsweb.com for postings by Joe Louks. He says that Ann Tinkle married William Robertson

Dear Barbara,

Enclosed, is my check in the amount of $4.00 and necessary paperwork to become an associate member of the Hagans-Evans Chapter, NSDAR in Morgantown.

Thank you for asking me to become an associate member. This is very special to me because my Revolutionary ancestor, Charles Rose of NJ died in Monongalia Co. VA in 1816. I wish I knew his location of burial in your county.

I received the book concerning the ancestors of members and am enjoying the reading.

I have enclosed some material that will update my original application papers. Hope this further research might assist anyone who might contact your chapter.

Thanks again,

Mary R. M. Nunneley

Hi gal,

Yes, I do have another copy. This book is 20.00 + shipping costs. + 4^{00}

Would you like to be an associate member in our chapter???&nbsp; Enclosed is an application form, just complete it and send 4.00 to Elizabeth Ludington Hagans-Col. John Evans Chapter.

I am familiar with the Rose surname, and my son's friend is David Rose.&nbsp; His father is doing research on the Rose name as well. I will check the cemetery records when I get to the library to see if he is buried in Cheat Lake area.&nbsp; Ancestry . com has this info listed but there is a hefty cost involved.&nbsp;

Let me know if you want the book.&nbsp; The proceeds go to the chapter.

love barbi

You posted on <DIV></DIV>&gt;15 Mar 2002. Is the book still available and how may I place an order? <DIV></DIV>&gt;Also noted your posting of 5 Jan 2003 concerning applications for membership <DIV></DIV>&gt;in the Chapter. I am already a member of the Bartlesville (OK) Chapter, <DIV></DIV>&gt;NSDAR, but thought you might like to know that my ancestor, Charles Rose, from New <DIV></DIV>&gt;Jersey died in 1816 in Monongalia Co. VA. His location of burial is unknown <DIV></DIV>&gt;in the county, but he lived and owned land near Ice's Ferry. I have been told <DIV></DIV>&gt;that the Cheat Lake covered much of the land near where the Ferry was located <DIV></DIV>&gt;and that cemeteries were not moved when the lake was built. I hope this is <DIV></DIV>&gt;not the case and that one day, I will be able to locate his place of burial or <DIV></DIV>&gt;have a government stone placed nearby. <DIV></DIV>&gt;Mary R. M. Dear Mrs. Nunneley:

Received the material I had sent you and your letter with an SASE.

I am sending you 6 pieces of paper. ~~two~~ Four are ones from an Ival Harness. I will fill in on them who I think she is talking about.

As to Susannah Conner you have married to Hopkins Ross, I believe they are different. Peter Harness married a Grace O'conner (some may have dropped the "O" and made it Conner. Gracey is a nick name for Grace. Adam married a Susanna Rose, which I believe is correct as Ival Harness tells of Grandfather Peter Harness purchased land from Rose. So there was a Rose family in the immediate area. I decided to add one more page of Ival Harness's papers. Hope this helps you.

No Charge! If you have some pertinent data some time, I would appreciate it.

Sincerely
Harold D. Harness

Dear Mr. Harness:

Enclosed is my check in the amount of $27.50 for the following book:

Glimpse of the past: the Harness family history

Please send the book to the following address as it is easier to receive my packages at my place of employment:

MRS. MARY R. NUNNELEY
c/o BARTLESVILLE PUBLIC LIBRARY
6TH AND JOHNSTONE
BARTLESVILLE, OK 74003

I have only within the past two weeks found that I may have a need for Harness research. In searching my Conner line in Monongalia County, VA (now W VA), I have found a lawsuit, Jesse Penrose vs the heirs of John Conner. I am enclosing a copy of the material which names Peter Harness and Gracey, his wife. I believe the James Conner, son of John (and a brother of Grace Conner Harness) to be my ancestor. James Conner and several members of his family moved to Greene and Fayette Cos. in Ohio ca 1820. I find a Peter Harness, intestate estate settlement in Fayette Co. Ohio - 1838/ch A - p page 133. There are several Harness families in both counties in 1850 and I wonder if they are the children of Peter??
Since I have just found the Harness name, I have little to share, but will certainly send copies of any material I come across as I do further research.

I will be happy to receive the book.

Sincerely,

Mary Nunneley

Dear Mrs. Nunnely:

Upon receipt of your last material and note I researched my papers again and found the data I am enclosing for your information. You may keep it. It deals with Peter Harness II and Gracy Harness and Peter Harness III and Charlotte "Lottie" Harness (a first cousin to Peter Harness III.

You will note this data is from Helen Harness compiled in 1983. I can not vouch for the data but what she has on Michael and others I am familiar with it appears to be OK. I don't know her address.

I believe the 1850 census you sent me has erroneous data. The original census should be reviewed.

You know many people then could not read or write and of course the census takers were not too accurate. The enclosed papers may give you a lead. If you get it ironed out let me know.

Sincerely.
Harold D. Harness

Peter Harness (II)

Peter Harness, Jr., (II) was born in 1772 in Hampshire County, Virginia, (now Hardy County, West Virginia), the son of Peter and Susannah Harness. After the Revolutionary War and the "West" began to open up for settlers, Peter (II) moved to Kentucky, probably traveling via the Wilderness Road. According to the 1810 Kentucky federal census, at the age of 38, he lived in Montgomery County, while his brother, Jacob Harness, lived in neighboring Bourbon County. This census shows that Peter had one son under age ten, three daughters under age ten, and no wife, which probably indicates that his first wife had died. Since later census records show his wife, Gracy, was born in Kentucky, he possibly met and married her while there.

Within the next five years (between 1810 and 1815) Peter (II) moved to Jefferson Township, Fayette County, Ohio, where in 1814 his father had purchased 1,100 acres. On December 1, 1815, Peter (I) gave 107 acres of land to his son, Peter (II) and 100 acres each to his sons, Jacob and Arthur. During the next few years Peter (I) gave the rest of his children 100 acres each. (See p. 22.)

Peter (II) lived on his farm in Jefferson Township for about twenty years, until the call to "go west" came to him again. In 1836, at the age of 64, he and his family moved to Pleasant Township in LaPorte County, Indiana. (Because of township boundary changes, their land was later in Wills Township, and then Lincoln Township.)

In the first election in Wills Township Peter voted. Although neither Peter nor his wife, Gracy, could read or write, he became a prosperous farmer. The LaPorte County School Enumeration of February, 1846, shows Grace Hatfield, female, age 12, and Vintsey Hatfield, male, no age given, as living with Peter Harness. Probably these were grandchildren.

At the age of 80 years Peter Harness (II) died in LaPorte County, Indiana, in 1852, and was buried in Oak Grove Cemetery. There are no markers there for him or his wife.

James W. Harness

The third son of Peter Harness (II), James W. Harness was born in 1817 in Fayette County, Ohio, and moved with his parents to LaPorte County, Indiana, in 1836 as early settlers of the Rolling Prairie District of the county. In 1843 he married Elcy (Elsie) Dawson, whose parents also were early settlers in the county. According to the 1850 and 1870 federal censuses James could not write.

James "long held precedence as one of the substantial farmers and honored citizens of LaPorte County, where he aided in the reclamation of much land and developed a fine farm. He had the distinction of breaking the land on which the City of LaPorte is situated, and utilized for this purpose a plow and four yoke of oxen. He was influential in public affairs of a local order and was one of the well known and revered pioneer citizens of LaPorte County at the time of

Origin of LaPorte County, Indiana

In 1832 LaPorte County was created from St. Joseph County.

In 1816 Indiana became a state.

In 1787 the Northwest Territory was established (which included the land in Indiana).

Dear Mr. Harness,

I have received your good book concering the Harness family and the manuscript which you so kindly loaned for me to copy. I am returning your copy of the manuscript and have made copies of such.

Your history of the 10. Peter Harness 1, family on page 122 is of interest to me. I feel that it very possible that the Peter (458.iv) is the same Peter Harness and Gracey, his wife, are one and the same as listed in the land controversary suit of Penrose vs Conner in Monongalia County, VA. I disagree with researchers that the following census record is the same Peter:

LaPorte County, Indiana...1850
106/106

Harness, Peter	45	Farmer	VA
Gracy	45		Penn
Hatfield, Gracy	15		IND

The Peter and Gracy Harness of LaPorte are too young to have been married in 1812 and 1813 as named in the land suit of Penrose vs Conner. I suspect researchers have disregarded this important suit.

An additional important item from the same 10. Peter Harness 1, family on page 122 is the information that Adam Harness (462, viii) married Susanna Rose. I have felt, without any proofs, that the Susanna Harness of the 1850 census of Darke County, Ohio, was possibly the former Susanna Conner Rose, widow of Hopkins Rose. I believe this Susanna to be the same as listed in the Penrose vs Conner suit. Susanna Conner married Hopkins Rose in ca 1810 in Fayette Co., PA. Hopkins Rose died ca 1823 in Washington Court House, Ohio. Susannah was never located after the 1820 census. It now seems possible that she remarried to Adam Harness before 1830 and might satisfy the lack of a record for her from 1820 to 1851, when she applies for what may be bounty land on the service of Hopkins Rose in the War of 1812, Monongalia County, VA.

Do any of your records support the marriage of Susanna Rose to Adam Harness? If so, I would be happy to pay for copy costs of these records. This marriage entwines my connection to the Harness family

even more. Briefly, my lines...

Charles Rose (RW soldier of NJ, d 1816--Monongalia County, VA) and his wife Rebecca (Mulliner?) had:

ISSUE:

John Rose married Eda Boyce (to Ohio)
Thomas Rose married Ruth Scudder
Hopkins Rose married Susannah Conner
(is she the same who married Adam Harness and the dau of John and Sarah Conner of the Penrose vs Conner suit ??)
Elsie Rose married James Conner (to Fayette and Greene Cos. OH)
(is James Conner a brother to Susannah Conner and the son of J of John and Sarah Conner of the Penrose vs Conner suit ??)
This is my line
Mary Rose married a Mr. Ross
Rachael Rose married Benjamin Lewellin (unproven)
Rebecca Rose married Jacob Franks (unproven)
Hannah Rose (nothing known)
Freelove Rose (nothing known)
Charles Rose (youngest per father's will) married Jane _____?

John Conner (b unknown, d unknown, but by 1812 per Penrose vs Conner heirs) and his wife Sarah had:

ISSUE:

Sabra Conner married William Griffith
Gracey Conner married Peter Harness
Polly Conner married William Johnson
Sally Conner
James Conner married Elsie Rose (a James Conner married Elsie Rose 31 Aug 1813 in Monongalia Co. VA, dau of Charles Rose, bondsman, Hopkins Rose)
Susanna Conner (a Susanna Conner married #1 Hopkins Rose and # #2 Adam Harness)
Margaret Conner (a Margaret Conner married John Hill, 5 Jan 18 1840, Fayette Co., OHIO)
Elizabeth Conner (an Elizabeth Conner married Simeon Creamer 24 Apr 1823, Fayette Co., OHIO)
John Conner

Buried in the Creamer Cemetery -- Fayette Co., OHIO...
Sarah Conner, wife of J. Conner
31 Oct 1763 - 20 Nov 1838

As you can see, I have definite interest in the Harness name by the above lines. I might also mention, that I am a descendant of the Popejoy family who too, had a Harness connection. Every area that I research seems to turn up a Harness connection.

Thanks so much for the book and your help. I am enclosing an SASE for your convenience if you have anything on Susannah and Adam Harness.

Sincerely,

Mary Nunneley

Dear

I want to thank you for an answer to my querey. I want to inform you that my Abraham Hutton was born around 1812 in Hardy Co. W. Va. and died around 1849 ? in Missorri? He is listed on the 1840 Indiana Census in that age group. The Abraham Hutton, son of Moses Hutton, could not have been the one I'm looking for. This Abraham died Jan. 14, 1830. I think my Abraham was named after him. Every clue that I have picked up, have led me to belive that Jacob hutton and Elizabeth Harness is my Abraham's parents. I can't find a will for Jacob and Elizabeth (Harness) Hutton. Jacob died June 19, 1836 and Elizabeth (Harness) Hutton died Dec. 15, 1840 at Moorefield, W. Va. she is the daughter of George Harness and Elizabeth Ann Yocum. At this time I can't realy find the proof I need. I would like to know where they got married. too!! I can't find a will or get a death Cert. or find an obit on Rebecca (Seymour) Hutton, I know she got married to Abraham Hutton in Tippecanoe Co. Indiana Jan. 18, 1837. I found her tombstone marker at Romney, Indiana Cemetery. She was born 1818 and died 1899. The only Seymour Sir name on the 1840 Indiana Census was Felix Seymour and Garrett Seymour. On the 1850 Indiana Census was Felix Seymour age 65, Caroline Amelia-age 53, Alfred age 24 Born Ky, William age 20 born Ky, Eugene age 17 born Ky, Lucy age 10 born Indiana. John Seymour age 30 born Va lives with Frank Wakefield, his trade is a carpenter. He probabley is a son of Felix. There is no Felix Seymour on the 1860 Census. They were selling all their property during the 1850's through 1859. They moved somewhere, where I don't know. My Rebecca Seymour Hutton can not be the daughter of James Seymour and Elizabeth Hutton. True they have a daughter named Rebecca she married Job Hutton. Information is in the Gamble -- Montgomery History and Genealogy. by Pattie Chrisman. I'm not sure who the parents are of this Felix Seymour with a wife named Caroline Amelia --------. I have tons of information on the Seymours and Hutton Etc.

Dear Joan,

I am absolutely thrilled with the Xerox copies you sent concerning my Schilling and Metzinger families. Is the book still available to purchase? I am enclosing my SASE for your convenience to let me know about the book.

Although my Dad, Raymond Henry Metzinger, left Indiana in 1905 (at age five) he knew all of the names of aunts, uncles, and cousins (Kult, Grieves, Quarlieters, etc.), but he did not know the names of his great-grandparents, MICHAEL SCHILLING AND ELIZABETH ZINTZ! Dad died in 1989 - how I wish we had know before then.
I have gone over and over my Harness material and can find no information for Jacob Hutton and Elizabeth Harness and their children. I do hope Harold Harness can help.

My Mother's side of the family, many names, originate in Hampshire, Hardy and Monongalia Cos. I have spent years doing research on various names in those counties...drives me crazy. I am sending copies of some items, which I am sure you have, but just some thoughts:

Hardy Co. -
Abel Seymour - will of 9-9-1823
Lists among others, sons Garrett and Felix
Abel names wife, Ann. I would bet she is the daughter of Garrett VanMeter. In the will of Garrett, he lists a daughter, Ann Seymour. Also, note that Abel and Ann Seymour, besides Garret and Felix and others, have a son Van.

Since Abel Seymour served in the Revolutionary War, the DAR papers may reveal a great deal about him and his children. If you are a member of DAR, you should be sure to order this paper. Also, Garrett VanMeter served and his DAR papers might be helpful.

Hardy Co. -
Edwards Williams - will of 5-10-1831
He lists among others, a dau Amelia Seymour. I would like to see a real copy of this will...was it transcribed properly, or is Amelia Seymour and the name following, Caroline, really one person??

You have probably already explored all of these ideas. If not, hope they add some new ideas to your research.

Thanks, again, for the wonderful copies of biographies of my family.

Sincerely,

Mary

Dear Ms. Rodenberger:

I received my April 1991 issue of the DAR Magazine and noted your query on page 279, concerning Hutton-Seymour-Harness.

Though I am unable to answer your questions, I do have the book, A Glimpse of the past: the Harness family history (Gateway Press, 1983) by:

Harold Duncan Harness
1607 Dogwood Lane
Bel Air, MD 21014

Mr. Harness was very helpful and generous in sharing his Harness worksheets that he used to publish his book. Though his book does not list the grandchildren of George and Elizabeth Ann Yoakum Harness through their daughter, Elizabeth (1770-1840) who married Jacob Hutton (1760-1836), Mr. Harness may have the names of the children of Elizabeth and Jacob. He did send me a great deal of information which was not included in the book. I suggest you contact him and I hope he is still available to assist your search.

Also, a will in Hardy County:

James Seymour / 1-2-1843
wife: Eliz.
Sons: John
Jonathan
Thomas
Felix
Daus:DaMargaMatgWeltoHelton
Ann Welton
Rebecca Hutton
Jane Coyner

My grandparents, John Metzinger and Katie Schilling were married in Fowler in 1897 and my Dad was born on a farm between Ambia and Dunnington in 1900. I understand I have many "cousins" still living in Benton County, but have no contact with any of the Metzinger or Schilling families still living in the area. Only three of the nine children of my great-grandparents left Benton county, so I surely must have dozens of cousins around Ambia, Dunnington, etc. They probably have all of the answers to questions I need to ask about my Indiana ancestors.

Good luck on your research. By the way, I last corresponded with Mr. Harness in June, 1987.

Sincerely,

Mary

HISTORY AND GENEALOGY OF OUR TRIBE OF THE HARNESSES

By Ival Harness

The Harnesses several generations back came from Holland. As far back as I have record of our tribe is my great-grandfather.

My great-grandfather's name was Peter, my grandpa's name was Peter, so was my father's name Peter.

My great grandparents came from Virginia to Chillacotha, Ohio. Now what year they came I don't have any record of, nor I don't have record of how many families came, but in 1832 there were three brothers came to Howard County, Indiana. One of them was Peter, my great-grand father and his brother George. The other brother we have lost his name. I don't think they all could have left Ohio for there has been known since to be Harnesses in Ohio.

In 1835 my great-grandfather came to LaPorte County with his family. The other two brothers remained in Howard County. This was according to Uncle Sims record. There were Indians here when they came. There were not any railroads and stage coaches were the way of transportation. Now where they might have lived when they first came to Laporte County, I do not know, but according to the township history in the Public Library in Laporte, they came to Lincoln Town about 1840.

GENEALOGY OF GREAT-GRANDPARENTS

My great-grandfather lived and died on our old home place in a little house in about the middle of the place near a sycamore tree. The tree was still there when we left the home place, though it's gone now. He lived on the home place though he did not purchase it. Grandpa was the one that purchased it.

I don't have any record of my great-grandmother, her maiden name or given name, age, or when she died only she died first. He died when father was a very small boy. All father could remember about it was when they held him up to the coffin to see him. They are buried at Oak Grove, but no one knows where, they never had any markers.

Their Children:

Peter - My grandfather
James - known as Jim
John
Andrew - known as Andy
Susanna (Suse) or Aunt Suse Reed as they always called her

We think there was another girl and she married a Hatfield, but we are not certain there was. If there was, she did not live around here. She went away somewhere else to live, or never came here.

Grandpa and Grandma Harness

Grandpa went back to the Harnesses that stayed in Hourd County to choose a wife from among them - Charlotte Harness was her name. They were both born in Virginia. Grandma was the daughter of one of the three brothers that came from Ohio - the one we lost his name. I don't have but a very little record of Grandma's folks. Her father died and her Mother was remarried to a man by the name of Sawyer. I never heard if Grandma had any brothers. She had a sister called Lucinda and one called Amy - I lost all track of these, I think one lived in the West and one in Wisconsin. There was an Arthur Harness of Wisconsin visited us fifty-eight years ago, I think he was one of Grandma's relatives. She also had a sister called Peggy who married Abram Crites. He was Pennsylvania Dutch. They lived in Carroll County near Bringhurst. This is all the information I can give of Grandma's folks.

Grandpa purchased the forty acres that was our old home place from a man called Rose. Rose purchased it of the government. He and Grandma lived on the west side and middle way of the place. There was an orchard and peach orchard - lots of fruit. The pear trees were still there when we left the home place. Some sprouts from the plum trees were bearing fruit yet. That is where their children were born. They had an open well and it caved in one night. They left that part of the place and built a log cabin just a few feet north of the kitchen of the frame house they built a little later. They moved in this house when father was eight years old, a hundred years ago. About ten years later they started building the frame house. After they started building, they had to lay off working on it for awhile because they were at this time viewing a route for the Grand Trunk Railroad. It was going to run right through where the house was to be. They then laid out another route for the railroad and put it where it is. They finished the house and moved in when father was eighteen - ninety years ago. This house burned October 23, 1938.

Grandpa died December 2, 1901 - age 80 years.
Grandma died March 12, 1898 - age 77 years, 10 months 14 days.

This is according to their stones in the cemetery. The date of their marriage - the record burned.

Their Children:
- Simeon
- Elizabeth
- Susanna - known as Suse
- Peter
- Maggie
- Mary Matilda
- Jess

The two younger ones we had a record of their birth and death, but it burned. Mary Matilda died in the first house at the age of 18 months. Jess died in the sedond house at the age of seven years. This I heard my father say many times.

Simeon born Feb. 7, 1848 died June 20, 1919 married Carline Wiltfong Oct. 17, 1880. Carline born April 28, 1858 died Aug. 27, 1927

Betty Jean

Elizabeth married David Helmick. They were married about two years father said. According to their markers in the cemetery, David Helmick died Feb. 27, 1874, age 27 years and 27 days. Elizabeth Helmick died March 23, 1877, age 27 years, 11 months, 27 days.

Susanna (Suse) born Sept. 23, 1851 died July 28, 1927. She married Amos Laybourne Dec. 2, 1874. Amos was born Sept. 25, 1848 died April 9, 1897 when he went down into an open well on the old Learn Place, which he had purchased and lived a very short time, to take out bricks for a future use and the well caved in on him.

The Harness Family in America dates from the coming of William Penn,who was accompained to America by Mitchell Harness,the,the Great-Great Grandfather of John R. Harness the subject of this sketch (Picture that appears with this writeup) Michael
Practically every generation of the family since the time of Mitchell Harness have been large land Owners in the respective communities where they have lived.Peter Harness,son of Mitchell Harness,Great-Grandfather of John R.having been a large land owner and Slave owner in Virginia,in the land sales of 1801,he acquired 5,000 acres in the Scioto Valley in Ohio.A man by the name of Turley,a Son-In-Law of Peter Harness was the first member of the family to move from Virginia to Ohio.

George W.Harness,the son of Peter,also came to Ohio,but did not remain long,he emigrated to Illinois and settled near Bloomington,but left that place on account of the Black Hawk war.Afterward he lived near Thorntown for two years,and then moved to the farm where Ellsworth Harness now lives,entering 160 acres of land in 1823,there he lived until 1849,when his son,William was married,he then moved to the Indian Reserve in Howard County,where he lived to be 108 years old.
William and Mary (Rodkey) Harness lived on the old home place farm until 1862,when he erected a large Brick House which is still standing,and where he lived until 1884, when he moved to Cass County,he lived in Cass County for eight years and then moved back to the old homestead,where he lived until 1899,when he again moved to Cass County,he died six years later in March,1905.His Wife died previously in 1899,at the time of their removal to Cass County.William Harness at the time of his death owned 1,000 acres in Cass County and 652 acres in Carroll County,practically all of which he made of his own efforts and good management,he was an influential Citizen of the County and Civic-minded man.
Thirteen Children were born to William and Mary (Rodkey) Harness,among whom were the following;George W.deceased-one that died in Infancy-Hattie,wife of David Shields of Cass County-Jacob L.who lived at Burlington-Samuel C. who died in 1907-Lucinda J. who is the widow of James Patty of Cass County-Elizabeth M.the wife of John R.Benson of Cass County-John R.of Carroll County-An Infant that died at birth-Mary,deceased-William Deceased-Ellsworth who lives on the Homestead farm in Carroll County-Clara Bell,who is the wife of Charles Wagner of Cass County.

Uncle George Harness Jr.
(By Star Special Service)

Kokomo,Ind. July 9.George Washington Harness,one of the most unique characters in Northern Indiana,celebrated his 86 th Birthday today at his Suburban residence near this City.Uncle George was born in Fayette County,Ohio. In 1826 moved to Illinois, but in 1828 he moved to Boone County,Indiana,and has been a Hoosier for seventy seven years.Four years after coming to Indiana Mr Harness removed with his Father to Burlington,eighteen miles West of Kokomo where the parent gave his son 160 acres of farm land,this has grown until Mr.Harness has an Estate of 1,800 acres.He has recently parceled out 1,000 acres to his children,and retains 800,half of which is in Howard County and half in Cass County,he is a stock breeder,and is said to have brought the first herd of Herfords into Indiana.He keeps all of his accounts in his head,and can tell off hand the details of every business deal he has had in years.
Uncle George never had a pair of glasses,but could trace a bee on its course

Information below by Ival Harness 8-F-8

George Jr.was married twice,first Wife's maiden name was Drucilla Beck,second Wife, Alice Smith.He was prosperous and gained much wealth,he lived in Cass County and very near the Church on the County line that was just spoken of that his sister and her husband helped to organize,and which his family also assisted in.His family and Grandchildren were members of this Church and still active workers there,what few remain around there.

It is about a hundred miles from LaPorte,and about ten miles from Kokomo.There was a brick School House on his farm,it went by the name of the Harness School and has not been in use for many years,but the building still stands there.He also started a private Cemetery on his place over a hundred years ago,he and his wife and Children, all but one or two and many of his Grandchildren and his Father and Mother are buried here.In later years his Grandchildren have chosen to bury in other Cemeteries.

He took in many of his homeless Grandchildren,among them were 5 of Milton's children (Nettie-Jessie-George-Lon-Len).At least 4 of Jack's (William-Etta-Laura-George T.) Also Louise Oden.It is said there were seventeen children there at one time,children and Grandchildren,he brought up his family in an old brick house just across the brook from the School House and Cemetery.Schuyler Oden inherited the house at his Grandfathers death.It later burned and a frame house was built by the Oden family where Austin, son of Schuyler brought up his family.

My Grandfather lived and died on our old home place in a little house in about the middle of the place near a Sycamore Tree,the tree was still there when we left the home place,though it is gone now,he lived on the home place though he did not purchase it,Grand Pa was the one that purchased it.

I do not have any record of my Grandmother,her maiden or given names,age or when she died,only she died first,he died when Father was a small boy,all Father could remember about him was that they held him up to the Coffin to see him.They are buried in Oak Grove Cemetery,but no one knows where,they never had any markers.Deacon Harness inclosed the graves with bricks before he went West,they have since disappeared.Peter Harness was said to have bought his land for $40. and a yoke of Oxen.

Grandpa & Grandma Harness

Grandpa went back to the Harness's that stayed in Howard County to choose a wife among them,Charlotte Harness was her name,they were both born in Virginia.She was the daughter of one of the three brothers that came from Ohio,the one we lost his name,

I do not have but very little record of Grandma's folks,her Father died and her mother remarried a man named Sawyer.I never heard if Grandma had any brothers,she had a sister called Lucinda,and one called Amy.I lost all track of these.I think one lived in the West and one in Wisconsin.There was an Arthur Harness of Wisconsin visited us fifty eight years ago.I think he was one of Grandma's relatives.She also had a sister called Peggy who married Adam Crites,he was Pennsylvania Dutch.They lived in Carrol County near Bringhurst,this is all the information I can give about Grandma's folks.

Grandpa purchased the forty acres that was our old home place from a man named Rose, Rose purchased it from the Goverment,he and Grandma lived on the West side and middle way of the place,there was an Orchard and Peach Orchard,the Pears were still there when we left the old home place,some sprouts from the Plum trees were bearing fruit yet,that is where their children were born.They had an open well and it caved in one night.They left that part of the place and built a log Cabin just a few feet north of the kitchen of the frame house they built a little later on.They moved into this house when Father was eight years old,a hundred years ago.About ten years later they started building a frame house,after they started building they had to lay off working on it for a while because they were at that time viewing a route for the Grand Trunk Railroad,it was going to run right throughwhere the house was to be.They then laid out another route for the Railroad,they finished the house and moved in when Father was eighteen,eighty nine years ago,this house burned Oct.23,1938

Dr.Henry Wisner Spring Brook Farm

From Newspaper Article on H.Wisner.M.D.

The subject of this sketch is a member of the well-known and successful firm of J.N. & H.Wisner,proprietors of the Spring Brook Farm which is located in Sharon Township, Barber County,four miles north of the Village of Sharon,and is one of the finest places to be found in this favored section of the State,the estate having the notable area of 4,000 acres of deeded land,well fenced and otherwise improved,and 6,000 acres of leased range. All this implies that the firm is numbered among the most extensive cattle growers in this section,the average herd numbering 800 head,so that the operations of the firm are of wide scope and importance.The improvements on the place cost fully $15,000.00.Fifteen acres of the place are devoted to orchard and small fruits,while the attractiveness of the farm is increased by a grove of 160 acres of native trees.Several large springs are sufficient to afford a continued supply of pure water for the fine creek which traverses the place,and it stands as one of the best cattle farms in the County,while 500 acres are under effective cultivation, large yields being annually secured in wheat,corn,alfalfa,etc.The residence is a large and attractive building of modern architectural design and convience,while other permanent improvements are of the best order,including excellent barns,windmills,etc.,and upon the place are found forty miles of fence.From these statements some idea may be gleaned of the extent and marked superiority of this great stock ranch and farm.

Henry Wisner is a native of the old Empire State of the Union,having been born in Warwick,Orange County,New York,on the 20th of Aug.,1824,the family having been long resident of that section and one of prominence in several generations.The Father of our subject was William R.Wisner,and he was born in the same house as his son,he having been the son of William Wisner,who was one of the early settlers of Orange County and who was of staunch old German Lineage.The maiden name of our subject's mother,Eliza Miller and she likewise was born in Orange County,being the daughter of David Miller.Henry Wisner was one of ten children,brought up on the family's very successful farm in Orange County,N.Y.

Our subject passed his boyhood in his native town,receiving his early educational training in the public schools and supplementing same by a course of study in an excellent institution at Easthampton,Mass. He came west to Ohio in 1846,and three years later was graduated in medicine at LaPorte,Indiana,and in addition to being a successful practitioner of his profession he also attained a high reputation as a lecturer on anatomy and physiology,receiving the higest commendation from the press and his professional conferes.His home,presided over by his cultured and gracious wife,is a center of refined hospitality.

Mr Wisner maintains a public spirited attitude and is known as one of the sterling citizens and influential men of this section of the State.In politics he gives his allegiance to the Republican Party,and for 50 years he has been prominently identified with the Masonic Fraternity.He is a man of fine presence and genial nature.

About my Grandparents-Lawrence & Grace(Harness) Meyer 31*E-8

By Leslie Meyer 4-G-8

In the little German Bible (Which I now have) that my Grandfather brought from Germany he signed his name "Lawrence Meyer",Trusburg.He came from the Province (Alsance-Lorrain) This was the territory that France and Germany fought over for years because of its vast amount of coal mines.At my Grandfathers time it must of been German Territory.I have looked over German and French maps but was unable to find the Town of Trusburg.

At the time my Grandfather lived there they forced all young men into military training at age 16 Yrs.They were pretty rough on them in order to make hardened Soldiers from them.My Grandfather didn't like the idea so he bought some 14" wide Pine boards to build himself a trunk,put his clothes in it and came to America.

I never knew the name of the ship he came on.It must have been a small ship,not much larger than the ones that Columbus used.Some time after sailing,the wind died down and they sat still on the ocean.After a week or two,a strong wind came up and they moving again.In fact it turned into a terrible storm,at that time there was no power driven bilge pumps.They had to be operated by hand.The ship was taking too much water and was in danger of sinking.The people were badly frightened and were on their knees praying.One old sailor was about pumping his life out on a bilge pump to Help Keep the ship from sinking,said (Get up dam you and pump)

In his little Bible he wrote in German-The translation was-
I came on Wednesday at 4 O'clock on the 4th of April.It took six months and ten days.
My Word Lawrence Meyer 1852

Grandfather worked for a short time in the east and then came to Chicago at about the same time the City was swept by Cholera.It seems that so many people were dieing that they were short on man power and he got a job with another man hauling the dead to the cemetery.He said they would drive Oxen or Horses down the street,go into the houses,look for the dead,load them on the cart and haul them away for a fast burial. He said if they found a dead person upstairs,they would back up to the bed,take them by the heels and drag them down stairs with their heads going bump,bump,down the steps,and load them on the cart.

Later Grandfather came to LaPorte County.I dont know why he happened to come here.He worked as a hired farm hand.He was badly injured while working as a farm hand.He was cleaning out a cow stable one day.A cow was chasing the farm dog (Before the days of dehorning cattle) The dog ran into the stable,past Grandfather.The cow was in hot pursuit,lost sight of the dog so she gored Grandfather.He went to the house carrying his intestines in his hands.They called a doctor who sewed him up again and he lived.

Grandfather later married Grace Harness and they bought a farm near Mill Creek,Ind. The farm was bought from a Squire Lewis who married people and made coffins to sell.

Memories of my Grandfather,Lawrence Meyer

Little Boys used to be dressed in dresses up to three or four Yrs.old.I used to sit in my Grandparents kitchen with my little dress on.I would sometimes sit with my knees crossed and Grandfather would sit across the room and point his fingers to shame me.

Lawrence Meyer Obituary

Lawrence Meyer was born in Germany,August 15th,1838 and died Aug.16,1904,aged 66 Yrs. and 1 Day.He came to this Country in 1852 and settled in New York.Afterwards spent some time in Chicago and finally came to this County in 1857.He had been a citizen since that time.In 1868 he married Miss Brace Harness.To them three Children were born Namely Hattie L.Frank J.and Cora M. The daughters died in 1879,leaving the Mother and son to mourn his loss.He was a great sufferer with Rheumatism (Now called Arthritis) but bore it all with Christian fortitude.He had a desire to depart and be with Christ where suffering is not known.

The Thomas Ward Family, Ohio, Kansas & Oklahoma 1800's-1900s

Created with GENEALOGY.COM Find out how!

Updated August 19, 2004

About Our Family Research

Thomas Ward arrived in United States around 1794 at age 13. Nothing is known about his father. He had one brother that we know of, William, and possibly 2 more brothers. Thomas and his family according to 1840, 1850, 1860 census was from Ireland, but family records state it could be Scotland, England or Ireland.

It is possible he had an orphaned nephew named Durbin Ward, a well know Ohio lawyer and a politician who was born in Kentucky. There is a Thomas Ward in Lesourdsville, Lemon Township, Butler County, Ohio in early 1800 who built the first house there and had a brother names William who lived close by. This Thomas Ward was the Uncle of Durbin Ward. Thomas Ward was also the postmaster there for a time.

I believe this Thomas Ward is the same Thomas Ward in 1840 census. Thomas Ward is also listed in the 1870 census in Bulter County, Ohio with 2 of his children, Samuel and Charlotte. Another son, Clark is no longer listed here and have not located what happened to him. The oldest son of Thomas,

Henderson Ward, oldest son of Thomas, migrated from Lemon Township, Butler County, Ohio to Jewel County, Kansas along with his children, Thomas, John, George & Levi. Altogether this family homestead in these 3 states.

The name Thomas as first son is prevalent in our family as is Henderson as first son. We are scattered all over the US. Original Thomas was married in Pennsylvania. His first son Henderson was born in Pennsylvania in 1813 died in Jewel County, KS in 1897. Henderson's 1st son, Thomas, was born in Indiania 1841 and died in Dewey County, Oklahomain 1936. Thomas 1st son, William Henderson was born in Indiana in 1869, died in Oklahoma in 1961. Henderson's Ist son by a first marriage was born in Oklahoma. His 2nd marriage, and Ist son, William Charles,was born in Kansas 1913 and died in Arkansas 1999.

Any information to this family about the first Thomas, his wife and other family members would be appreciated.

Ostrander had been abusing his family last November and his wife called in the marshal. Her husband resisted arrest and was killed by Luppy. Mrs. Ostrander was the only witness to the shooting. In spite of the fact that she had summoned the marshal for her protection, she testified against him in the trial."

Death of Jacob Niday.

Jacob Niday died Sunday morning of a complication of diseases incident to old age. He was 75 years of age and is survived by five daughters and one son. The funeral was held from the residence in this city Sunday afternoon.

Rev. J. B. Rounds preached the sermon. Interment was made in the Bartlesville cemetery.

Daylight Robbery.

A bold day light robbery occurred here Sunday. About the middle of the afternoon, Mrs. Smith Lonsbury stepped over to a neighbor's house to chat awhile; and, when she returned, she discovered that some one had entered her kitchen during her absence and had stolen therefrom two hams of meat. There is no clue as to the identity of thief.

To Nominate Officers.

A meeting of the citizens of this city will be held at the old Woodmen hall Saturday night for the purpose of nominating the city officers to be elected on April 3. The meeting will be non-partisan and will have the best interests of the city at heart. Mayor Gray has authorized the Magnet to request a full attendance.

I am a member of the board of White Rose Cemetery in Bartlesville, OK. (owned by the City of Bartlesville). We are currently working on an "unmarked graves project" and hope to mark all graves of those persons who died before 1950. With a small grant, we are working on Block 1 and have found that the grave of Jacob Niday is currently unmarked.
I found your posting of his family on Rootsweb and can offer additional information I found while doing research on Mr. Niday.

Since the very early records of White Rose Cemetery give very little information, we will use the birth and death dates shown on your Niday Rootsweb posting for Jacob.
An order will be placed for a government stone because of his Civil War service. Although the service record is rather scanty, we have hopes to obtain a free marker for his Union service.
Thank you for your posting which helped our search.

Dear Mrs. Regn:

Thank you for giving consent to the Registrar General of NSDAR for open records concerning your ancestor, Moses Mulliner of New Jersey. Such generosity has allowed me access to your name.

My ancestor, Charles Rose, of New Jersey, also married a Rebecca Mulliner. Their marriage on 13 January 1781, is noted in Nelson's, New Jersey Marriage Records, 1665-1800, page 326.

I had thought a possibility existed that my Rebecca Mulliner Rose was the daughter of Moses Mulliner. Since such is not the case, have you in your research on the Mulliner family, found another Rebecca Mulliner who lived and was married at exactly the same time period as the daughter of Moses who married Hananiah Gaunt?

Charles Rose, after the Revolutionary War, resided in Monongalia, Virginia, (now W. Va.), where he died in 1816. His widow, Rebecca Rose, had her pension suspended and then rejected about 1847 due to lack of names of officers/regiment under which he served in New Jersey.

I am enclosing an envelope for your convenience to reply and wish to thank you for any assistance you might give to help identify the Rebecca Mulliner who married Charles Rose.

Sincerely,

Mary Nunneley

Dear Mrs. Nunneley:

It was fun hearing from you though I'm sorry I cannot give you any information on your Rebecca Mulliner who married Charles Rose.

When we discovered their marriage of 13 January 1781 in N.J. Colonial Documents, page 284, we wondered if it could have been a first marriage for our Rebecca Mulliner who married Hananiah Gaunt in 1785, resulting in his being thrown out of Meeting. However, this could not be since you state Charles Rose did not die until 1816.

The name, Rose, has shown up in my research of the Bozarth Family, located mostly in the Pines of New Jersey. You did not mention what part of this state Charles Rose is from. Are you familiar with Tuckerton and Leah Blackman's book, "History of Little Egg Harbor"? It contains a section on the Mulliner Family (page 346) and the Rose Family (page 349). Is your Charles Rose the son of Charles Rose and his 2nd wife, Ann Headley?

If you don't have the Blackman information I would be happy to make copies and forward to you. If you will send me more information or a chart of what you have, I will keep a look-out for anything else that might be of help to you.

It is interesting to note that after Hananiah Gaunt's death, his wife, Rebecca Mulliner, married a James Ragen, Sr. or James Rogers, and their daughter, Rebecca, married 1st Joel Rose and 2nd James Mott. Pages 346 and 350 each use a different last name!? (The W.P.A. files at the N.J. Archives in Trenton shows a Rebecca Gaunt's marriage to James Rodgers in Little Egg Harbor 8 Jan. 1800) A number of discrepancies have been noted in Blackman's work.

Are you aware of another Moses Mulliner from Ontario County, New York, who applied for a Rev. War Pension in 1820? He was 67, had a wife, Prisilla who was 57 and a son, Lewis, age 12! This Moses would have been born about 1753. My Moses Mulliner was born between May and August of 1740 and died in 1821. We see no connection between

the two nor with a Hendrick Mulliner of Somerset County, N. J., who died in 1712 (page 157 of "Annals of the Sennott Rogers, Coffin, Corlies, Reeves, Bodine & Allied Families").

Good luck in your search.

Sincerely yours,

Kathleen Regn

Dear Mrs. Regn:

Thank you for your letter concerning Rebecca Mulliner and Charles Rose even though you have no information as to the "other" Rebecca Mulliner.

I, like you, wondered if the 13 January 1881 marriage of Rebecca to Charles Rose was a second marriage for her and that her first had been to Hananiah Gaunt, not knowing that it was impossible, until I received your DAR papers.

It is believed by several researchers, including the Rose Family Association of California, that Charles Rose is the son of Ezekiel Rose of Hunterdon County, NJ. The line would be; Tormut^{1} Rose; John^{2} Rose; Ezekiel^{3} Rose; Charles ^{4} Rose. The will of Ezekiel Rose of Amwell Twp, Hunterdon Co, NJ, lists among others, a minor son, Charles Rose. Charles is supposed to have gone to Virginia, another son mentioned in the will, Jonathan Rose, also a minor, went to Kentucky.

I do not have Leah Blackman's book and do not have access to one, so would love to have copies of both the Mulliner and Rose families mentioned therein. Please let me know the cost of copies and will send the cost before you remit.

One of the things I find interesting and confusing - in the book New Jersey...1793, there is a Hananah Gaunt and Charles Rose both listed as living in Burlington County. Hananah (surely Hananiah) Gaunt was exempt and Charles Rose was not. Also, there was an Isaac Rose (one Isaac Rose was an RW veteran and is buried in W. VA, per the January 1982 issue of the DAR magazine) and also, listed is an Isaac Horner in the same county. One Issac Horner gave a deposition on the pension application of Rebecca Rose for her RW pension, which was suspended and then rejected. Somehow these Gaunts, Roses and Mulliners are connected, but ??

I have employed a researcher in NJ to try to untangle some of this, if possible. She will not start the work until mid-March, due to previous commitments. Hopefully, even if she cannot find out just who Charles Rose is, maybe she can find out who he is not - If she is able to identify the Charles who married Rebecca Mulliner, I will be sure to send you copies.

I was not aware of another Moses Mulliner, but have no indication that any of the Rose family came from New York. The only locations known at this time are, NJ, possibly Maryland, Virginia, Pennsylvania to Ohio.

Again, thank you for the letter and am enclosing an SASE for your cost of copies reply.

Sincerely,

Mary

The above Ezekiel 3 Rose was born on Block Island, Rhode Island. He, along with two brothers moved to New Jersey. Ezekiel to Hunterdon County, John to Salem County and James to Cumberland County.

Apparently many of the early Block Island residents moved to NJ as witnessed by Rose family marriages on Block Island and the later residents of NJ, including Green, Mott, Littlefield, etc.

Dear Mrs. Nunneley:

The pages in Leah Blackman's History of Little Egg Harbor that contain the Mulliner and Rose families can be copied on four (4) sheets of paper, including the title page of the book. Copies can be made in our County Library for 15¢ a page. I would be happy to make these for you on my next visit to the library, if you want.

However, the book may still be available from Goodspeed's Book Shop, 18 Beacon Street, Boston, Massachusetts. It is listed in their Catalog No. 591, on page 94, as Book No. 3338 for $10.00.

Concerning the Moses MULLINER from New York, we played with the idea, at first, they may have been the same person who served his term in one state, moved to another and reenlisted. This, of course, is not so, which we proved after receiving both war records.

As I mentioned before, a Rose family is connected to my Bozarth Family. John W. Rose signed a Civil War affidavit for my great-grandfather, Joseph Bozarth (known as John in the war).

John W. Rose was born 8 March 1844. He was the son of Major (apparently his given name--not a rank) Rose. His mother is listed as "unknown" on his death certificate (8 June 1935). However, 1880 census for Southampton Township, N. J., listsMajor Rose, age 68, born in N. J. and his wife, Ann, age 65, born in Ireland, in house # 286 and John W. Rose, age 35, Sarah, his wife, age 32, and Sarah E., age 8, his daughter, all born in N. J., in house # 289. One would think Ann was his mother, unless his father was married more than once????

In any case, he married my great-grandfather's cousin, Sarah Dillon, 6 July, 1864. Naturally, when I come across the name, I stop to ponder it awhile. I also noticed the following because of the names you listed:

> The 1850 Census Together With Index for Atlantic, Burlington and Bergen Counties, New Jersey, by Barbrae Owens Tanco - 1973
> Printed by Millican Press, Fort Worth, Texas
>
> Page 462, Egg Harbor Township, Burlington County, N. J.
> Charles Rose, age 76; Ann Rose, age 52; Charles Rose, age 27; all born in New Jersey.

I would appreciate receiving the address of the Rose Family Association of California. We keep a list in our Genealogy Club of possible resources of family names. This might prove helpful to someone coming to the club or our county library researching the Rose name.

According to Blackman, Samuel Rose was among the early settlers in Little Egg Harbor. One of his grandsons was named Charles and he may have had a son named Thomas. Charles and Thomas are the only names that are the same as the list you sent.

I hope you will be able to sort them out. Sometimes it seems we have more pieces to the puzzle than will fit.

Have fun!

Sincerely yours,

Kassie Regn

STEPHEN PIERSON, of Derby, Conn.—There has been for some time a tendency to regard this Stephen Pierson, who appeared at Derby as early as 1679, as one of the sons of the Rev. Abraham Pierson of Newark and Branford. There is, however, no support for such a supposition, except that *a* Stephen Pierson of Derby, whose name came within the memory of an aged member of the family now dead, was a son of *an* Abraham Pierson, and that all the *Parsons* of Derby, as they were afterwards called, were descended from Stephen Pierson. Common belief has united these two traditions in referring them to the same person and making him the first settler. Family pride has then been flattered by calling him son of Rev. Abraham Pierson, and therefore brother of Rector Pierson. Now, as there were more than one or even two Stephen Piersons of Derby, and at least two of these were sons of Abraham Piersons, one would be led, after the manner of traditions in general, to refer this traditional Stephen to a later generation, and we shall find it easy to identify him with Stephen Pierson, son of Abraham Pierson and grandson of Stephen, Sen., as one more likely to come within the limits of remembrance of the present or immediate past. The tradition that all Piersons of Derby were descended from Stephen is *probably* true if applied to Stephen, Sen. But it is strange that such a definite idea of descent should be retained for so many generations where, in fact, more than usual confusion instead of distinctness is revealed in attempting to trace out the several branches, and in particular the last family of Parsons that remained in Derby are with some difficulty and not with entire satisfaction thus traced to the common ancestor. I am of the opinion that in both instances the person referred to was Stephen Pierson, 3d, who was, in fact, son of an Abraham Pierson, and that the second part of the tradition is true in its own proper significance only of the particular branch to which the narrator, his niece, belonged.

The inference drawn by Savage from the occurrence of the name Abraham in Derby loses the little weight it has, when, on investigation, we find that it could just as well be credited to the Tomlinson family, into which Stephen, Sen., married, and from which source other Pierson names were borrowed. And, if we consult family records in general, we find that the mother's family often furnishes names for future generations to repeat. The desirableness of tracing the name Abraham to the Rev. Abraham Pierson is in itself an argument against the reasonableness of it, and even a succeeding generation would forget the true source in their desire to claim kinship with a prominent character. So true is this and so strong the impulse, that successive Abrahams might have been christened and lived in the belief that they were named after Rector Pierson as an ancestor. Then, too, the prominence of this person without any relationship might have given the name to one of the Derby Piersons in its first occurrence.

No mention of Stephen Pierson previous to the record at Derby seems to have been found or at least fully noticed, but such mention is to be found both in the Colonial and Probate Records of New Haven. A Stephen Pierson and Robert Deny were servants of Thomas Mulliner of Branford, and appear as witnesses in a case of witchcraft, June 30, 1657. This Stephen Pierson also appears in a complaint against his master for not fulfilling an agreement to teach him the carpenter's trade. The date is Oct. 1658. He had been bound out in England by his mother for seven years under this condition, and had already served "*four or more years.*" This Stephen then could not be a son of Rev. Abraham Pierson, and, it is to be presumed, his mother was a widow. Here is a Stephen Pierson prior to the one at Derby, and as there is no difficulty about the dates, but rather agreement, why should we not be inclined toward regarding them as one and the same person? Can any one furnish any further data?

Dear Dawn,

Thanks for your letter and the pedigree chart concerning my Fayette Connection query about the Parrett/Conner family. I am enclosing two family group sheets for Elias Parrett who married probably #1 Lydia Robinson and #2 Sarah Conner. I know the marriage to Sarah Conner is correct, because she is listed in the estate settlement of her father, James Conner in 1870. The first marriage for Elias is probable, because he is the only Eli/Elias I have found in the Fayette marriage records. Who is his father??? He was born about 1812, according to census records. He would have been about eight years old - the problem....there were eight Parrett families in Fayette Co. OH in 1820 with sons between 0-10. The 1830 census narrows this down some and Elias would have been about 18 years old. In 1830, the only Parrett families with sons between 15-20 are:

Joseph J. Parrett
Joseph Parrett
John Parrett

All live in Jefferson Township, the same township that Elias is always found on every census. It now appears that Elias is a son of one of those three Jefferson Twp. men...

Sarah Conner, second wife of Elias Parrett, was the daughter of James Conner and Alsey Rose. Her family was:

James Conner
born 4 Apr 1789- Fayette Co. PA
died 23 Nov 1870 - Greene Co. OH
buried Grape Grove Cemetery - Greene Co. OH
married 31 Aug 1813 - Monongalia Co. VA to:
Alsey Rose (dau of Charles Rose and Rebecca Mulliner from NJ to VA - Charles Rose served in the Revolution from Hunterdon Co. NJ)
born 12 Sep 1789 - Monongalia Co. VA
died 29 Nov 1861 - Greene Co. OH
buried - Grape Grove Cemetery - Greene Co. OH

Issue of James Conner and Alsey Rose

Matilda Conner m Michael Creamer/18 Mar 1834-Fayette Co. OH
* John Conner m Alvina Popejoy/6 Jan 1838-Brown Co. OH
Hopkins Conner - b 29 Jan 1819 / d 1 Dec 1822
buried Vanorsdall Cem. Fayette Co. OH
James K. Conner m Rebecca Mercer / 10 Mar 1846 - Greene Co. OH
Sarah Conner m Elias Parrett/2 Nov 1845 - Fayette Co. OH
Rebecca J. Conner m Abraham H. Coile/19 Sep 1848 - Fayette Co. OH
George W. Conner m #1 Mary Ann Atkinson/20 Feb 1862-Fayette Co. OH
m #2 Mary C. McMorrow
Elizabeth A. Conner m Daniel C. Bush/25 Sep 1851-Fayette Co. OH
Greene Conner - 1834-1914 never married

On the Sarah Conner Parrett lines, I can go back two more generations. Sarah was the sister of my great-great-grandfather, *John Conner married Alvina Popejoy.

I have the following Fayette Co. material and would be happy to look up any names for you:

Marriage records 1831-1855
Washington Cemetery Records 1877-1925
Fayette Co. Census records 1820-1910 (microfilm)
1870 census index/Fayette Co.
Fayette Co. Chronicle (2 vols-paperback)
Common Pleas Court Records 1878-1908 (paperback)
Chancery and Common Pleas Court Records 1828-1878 (paperback)
Marriage records 1810-1830 (paperback)
Early Settlers of Fayette Co. Ohio (pub. 1872 hardback)
History of Fayette Co. OH (1984 hardback)
Dills 1881 History of Fayette Co. OH (Reprint-hardback)
misc rolls of microfilm with marriages, cemetery records, Bible records, etc. that I purchased from AGLL

You mentioned your husband's cousin, Ann and Dee Johnston who live in Bartlesville. Although I am not a member of the LDS Church, I have for several years volunteered at the LDS Family History Center Library. When I first started working there, I believe Mr. Johnston was one of the Ward Bishops. I have met Ann one time when she came to the library. She is a delight.

When the Church decided to open the FHC Library, our local genealogy society offered to help staff the library. This had, apparently, not been done before but they decided to give it a try. It has been a most wonderful marriage between the LDS Church and the Bartlesville Genealogy Society. Our Library is open from 9:00 AM until 4:00 PM Monday through Friday and two evenings each week. There are few Family History Centers open so many hours, at least not in this part of the country. We have seven Church members and seven genealogy society members who staff the Library. It is really great for the Church members and the non-members to have such a good place to do their research.

Will close and wish I could tell you more about Elias Parrett and wish I knew a lot more. If he does show up in any of your family records, I would like to hear from you.

Thanks much.

Sincerely,

Mary

Dear Ms. Nunnely:

I read you quesr in the Fayette Co. OH newsletter regarding the various families that you are researching. One of them was the Parrat family.

I can only assist in that I have a distant link to them via my ancestress Sarah (maiden name unknown) widow of Mark MORRIS. He died in Fayette Co. OH May of 1822 and she then married Joseph Parrott 24 July 1825 in Fayette Co. I then lose track of her. I do know that her daughter Nancy indentured herself to the Parrat/Parrott family until her marriage.

Did that family come from Maryland? The Morris's were from Dorchester Co. MD and I know that a lot of families from that area came to Fayette and Ross Co.'s in Ohio.

I kow that this is a long shot but can you help me? I'll be very happy to share what I have and I do have some records from Dorchester Co in my personal library.

Sincerely,

Lynne C Morris Keasling

Dear Mary,

I saw in your query in "The Fayette Connection" that you are researching the Parrott surname. Undoubtedly we are distantly related. I descend from Joseph Parrott, who settled in Fayette in 1815. I've attached a pedigree chart to show you how I descend from him. I'd like to hear from you to learn what you know about the family.

By the way, my husband's cousin lives in Bartlesville. Her name is Ann Johnston. Her husband, Dee, works for Phillips Petroleum, I believe. They're a wonderful couple.

Looking forward to hearing from you.

Sincerely,

Dawn

Dawn Parrett Thurston
